About Us

Uber State Ltd is a fintech startup that provides financial services to individual investors and crypto enthusiasts. The platform allows cryptocurrency investors to earn interest on their crypto holdings by lending them to vetted institutions.

Clients who have entrusted us with managing their funds get an opportunity to minimize their risks (regardless of the chosen investment strategy), and this represents one of the primary targets when working on the lucrative but risky crypto market. We are focused on investing in blockchain technologies and other major assets, the Uber State Ltd team is experienced in both traditional finance and emergent blockchain technology.

Having strong relationships with some of the most promising entrepreneurs and other top investors in the space, Uber State Ltd is fulfilling its strategic investment philosophy by building a diversified portfolio and bringing industry-specific value-add resources to its portfolio companies. Within the next several years, we envision blockchains and digital currencies having an established, responsibly managed, and regulated role in the global economy.

Our Goal

Uber State Limited was built with the mission of making investing a more simple endeavour for everyone, not only expert investors. Democratization is a noun that represents this new century in a very strong sense. With technology becoming more accessible to more people, the solutions they bring are expanding into new markets as well. We utilize this new ubiquity of technology to bring cutting edge investing solutions and planning right to your screens.

Our Mission

At Uber State Limited, our Mission is to expand access to the digital asset ecosystem while serving as trusted partners for our clients. We take this role seriously, and have spend the last few years building products and services to meet our client's need - from individuals to institutinos, and everyone in between.

As the digital asset markets grows and evolves, we analyze opportunities and build long-lasting investment solutions around the needs of our clients.

We consider clarity of thought to be the single most important trait we look for in our colleagues.

We think about the message we want to deliver before we speak, and know what is important and what is not
We are concise and articulate, putting effort into making things simple and easy to understand.
